

Filipe Da Graca Gama
Member of Research Group, Doctoral Student

Computing Sciences

Research group: 3D MEDIA

Visiting address:

TE309

Email: filipe.gama@tuni.fi

Miikka Dal Maso
Professor, Member of Research Group, Member of Research Area

Physics

Research area: Aerosol Physics

Research group: The Instrumentation, Emissions, and Atmospheric Aerosols Group

Visiting address:

SK206

Email: miikka.dalmaso@tuni.fi

Phone: +358503377914

Vitalija Danivska
Postdoctoral Researcher

Civil Engineering

Email: vitalija.danivska@tuni.fi

Joe David
Member of Research Area

Research area: Manufacturing and Automation

Pavel Davidson
Senior Research Fellow

Computing Sciences

Visiting address:

SD314

Email: pavel.davidson@tuni.fi

Bachir Dekdouk
Postdoctoral Researcher

BioMediTech

Email: bachir.dekdouk@tuni.fi

Morteza Dianatfar
Project Researcher

Automation Technology and Mechanical Engineering

Visiting address:

K1308

Email: morteza.dianatfar@tuni.fi

Phone: +358504478502

Aleksandr Diment
Member of Research Group, Doctoral Student

Computing Sciences

Research group: Audio research group - ARG

Visiting address:

TC316

Email: aleksandr.diment@tuni.fi

Donato Di Vito

Member of Research Group, Postdoctoral Researcher

Electrical Engineering

Research group: Plastics and Elastomer Technology

Visiting address:

K4230

Email: donato.divito@tuni.fi

Phuong Doan

Member of Research Group, Doctoral Student

BioMediTech

Research group: Computational Systems Biology

Visiting address:

TC332

Email: phuong.doan@tuni.fi

Phone: +358401981317

Valentina Donadei

Member of Research Group, Doctoral Student

Materials Science and Environmental Engineering

Research group: Surface Engineering

Visiting address:

K3242

Email: valentina.donadei@tuni.fi

Phone: +358504478352

Royson DSouza

Member of Research Group, Doctoral Student

Materials Science and Environmental Engineering

Research group: Plastics and Elastomer Technology

Email: royson.dsouza@tuni.fi

Phone: +358504478462

Nikita Durandin

Member of Research Group, Postdoctoral Researcher

Materials Science and Environmental Engineering

Research group: Chemistry & Advanced Materials

Visiting address:

FC 207

Email: nikita.durandin@tuni.fi
