

Vladimir Iashin
Doctoral Student

Computing Sciences

Visiting address:

TC307

Email: vladimir.iashin@tuni.fi

Rehab Iftikhar
Postdoctoral Researcher

Industrial Engineering and Management

Email: rehab.iftikhar@tuni.fi

Phone: +358504478467

Heimo Ihalainen
Project Manager

Automation Technology and Mechanical Engineering

Visiting address:

SC206

Email: heimo.ihalainen@tuni.fi

Phone: +358407210999

Ilona Ilvonen
Member of Research Group, University Teacher

Information and Knowledge Management

Research group: Knowledge and Learning Research Center

Visiting address:

FB314

Email: ilona.ilvonen@tuni.fi

Phone: +358405940479

Timo Inha
Member of Research Group, Project Manager

Architecture

Research group: Metal and Light-weight structures

Civil Engineering

Visiting address:

RM307

Email: timo.inha@tuni.fi

Phone: +358405131510

Matti Isakov
Project Manager

Materials Science and Environmental Engineering

Email: matti.isakov@tuni.fi

Phone: +358504478356

Arnold Ismailov
Member of Research Group, Doctoral Student

Materials Science and Environmental Engineering

Research group: Ceramic materials

Visiting address:

K3243A

Email: arnold.ismailov@tuni.fi

Phone: +358408490581

Riku Isoaho
Member of Research Group, Doctoral Student

Physics

Research group: ORC

Visiting address:

SL316

Email: riku.isoaho@tuni.fi

Phone: +358401981052

Essi Isohanni
Member of Research Area

Research area: Software engineering

Sari Isokääntä
Lecturer

Language Centre

Visiting address:

PB107

Email: sari.isokaanta@tuni.fi

Phone: +358401981047

Pekka Iso-Ketola
Member of Research Group

Research group: Personal Electronics Group

Mia Isotalo
Member of Research Group, Doctoral Student, Member of Research Area

Physics

Research area: Aerosol Physics

Research group: The Instrumentation, Emissions, and Atmospheric Aerosols Group

Visiting address:

SK302

Email: mia.isotalo@tuni.fi

Pekka Itävuo
Member of Research Group, Doctoral Student

Automation Technology and Mechanical Engineering

Research group: Automation and Systems Theory

Visiting address:

K2203

Email: pekka.itavuo@tuni.fi
