Teemu Ojanen
Member of Research Area, Associate Professor (tenure track)
Physics
Research area: Computational Physics
Email: teemu.ojanen@tuni.fi

Nirajan Ojha
Member of Research Group, Doctoral Student
Physics
Research group: Photonics Glasses
Visiting address:
SL 412
Email: nirajan.ojha@tuni.fi

Niloofar Okati
Member of Research Group, Doctoral Student
Electrical Engineering
Research group: Wireless Communications and Positioning
Email: niloofar.okati@tuni.fi

Petri Tapani Oksa
Member of Research Group, Project Manager
Computing Sciences
Research group: Data-analytics and Optimization
Visiting address:
Pori 246
Email: petri.oksa@tuni.fi

Ville Oksanen
Member of Research Group

Research group: Tribology and Machine Elements

Miska Olin

Member of Research Group, Teacher, hourly paid, Doctoral Student, Member of Research Area

Physics

Research area: Aerosol Physics

Research group: The Instrumentation, Emissions, and Atmospheric Aerosols Group

Faculty of Engineering and Natural Sciences

Visiting address:

SK210

Email: miska.olin@tuni.fi

Phone: +358504766287

Aleksandr Ometov

Postdoctoral Researcher

Electrical Engineering

Visiting address:

TG414

Email: aleksandr.ometov@tuni.fi

Olli Orell

Member of Research Group, Doctoral Student

Materials Science and Environmental Engineering

Research group: Plastics and Elastomer Technology

Visiting address:

K4230

Email: olli.orell@tuni.fi

Phone: +358408490124

Heikki Orelma

University Teacher

Faculty of Built Environment

Computing Sciences

Visiting address:

SD303
