

**Ahmed, Umair**

Electrical Engineering - Doctoral Student

Person: Teaching and research staff

**Peltokangas, Mikko**

BioMediTech - University Teacher

Research group: Sensor Technology and Biomeasurements (STB) - Member of Research Group

Person: Teaching and research staff

**Rasilo, Paavo**

Electrical Engineering - Academy Research Fellow, Assistant Professor (tenure track)

Research group: Electromechanics - Head of Research Group

Research area: Power engineering - Member of Research Area

Person: Teaching and research staff

**Valkealahti, Seppo**

Electrical Engineering - Professor

Research area: Power engineering - Member of Research Area

Research group: Power systems - Member of Research Group

Person: Teaching and research staff
